Dear Network,

A memorial donation is a valuable way to celebrate the life of a loved one, while helping to make a difference in the lives of future generations. You, as a previous or current participant in our National Tobacco Symposium on Young Adults, are invited to donate to The BACCHUS Network's inaugural "Creating a Tobacco-Free Generation Leadership Award."

This award is to support the continuation of the Henry W. DeJong Award for Leadership in Collegiate Tobacco Control. From 2002 – 2007, the DeJong family generously donated an award to honor the memory of their late father to one campus professional who excelled in campus tobacco control efforts. In the spirit of the DeJong family, The BACCHUS Network is committed to the continuation of this award opportunity.

A goal of The BACCHUS Network is to create tobacco-free generations. We recognize that there are powerful, talented leaders across the country working to prevent tobacco use among the young adult population thus, this leadership award will highlight and honor those who are helping us accomplish our mission.

To fund this award, BACCHUS is accepting donations in remembrance of a lost loved one, friend or colleague or in honor of someone affected by tobacco. The honoree will receive a \$1,000 award, from donations collected, to be used to further their work in the tobacco field and will be provided travel and lodging to accept their award at a formal presentation held at the 7th National Tobacco Symposium on Young Adults in Sacramento, CA on March 4th, 2008.

As a nonprofit organization, your donation plays a vital role in helping us to reach our mission of healthy campus environments, healthy future generations and continued leadership in tobacco control. Your donation is tax-deductible, and those to be remembered will be recognized at the event, listed in the program book, on our website and in an issue of our *Peer Educator* newsletter, sent to over 2,000 subscribers and a keepsake card will be sent to the family.

If you have any questions or would like more information, please do not hesitate to contact me at Olivia@bacchusnetwork.org or 303-871-0901. You may also donate at www.tobaccofreeU.org

Thank you in advance for your generosity.

Sincerely,

Olivia Jolly, MPH, CHES
Associate Director of Health Promotions
