RE: The 2010 National Tobacco Symposium on Young Adults & National Conference for Advisors of Peer Education Groups (June 13 – 16, 2010)

It is with great regret that we are canceling the June conferences in Maryland. Monday, May 10, was the early, less expensive registration deadline and we have not received the registration numbers necessary to make this a quality experience for the participants. After evaluating any adjustments we could make to the conference schedules, the options did not meet our training quality standards, nor did we feel it would provide you a quality networking experience. We feel this is in the best interest of the attendees as well as the organization.

End of the fiscal year budget freezes on travel and conference attendance seem to have put a stop on many professionals who planned to attend.

We hope to see you and your peer educators at The BACCHUS Network General Assembly in Indianapolis, November 4-7. Also, please look for information on the 2012 Tobacco Symposium starting in mid-2011.

Thank you for your interest in the conference(s) and for your dedication to the health and safety of young adults.
